morning everyone
my side is about
diffefent genres:

This is some of
the genre. as you
can see

This side is about
Fantasy here are
some film on
fantasy:

Comedy

- Shrek
- Maty and mo
- Angus Thongs
- Drop Dead Fred
- Home alone

This genre is all about comedy. here are some films.

Fantasy

Fantasy is my favourite here are a few films all of them have different settings most of all the characters are good most of all the films are like a magical theme.

This slide is about fantasy. Fantasy is my favourite.

What realistic fiction means

Realistic fiction means when it's a film or a program and it could be about animals or about hospitals or anything really and the story they talk about is real.

This slide is just telling us what realistic fiction means.

Beginning middle and

I am going to do kind of the things for a beginning middle and end the beginning is when he is giving the ring the middle is adventure and the end is when it is all sorted and it's a very happy ending.

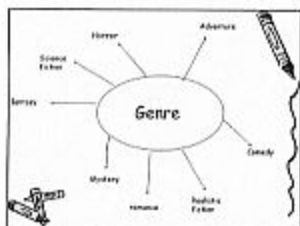

This really just
explains what
beginning middle
and end and a
story with it.

The meaning of genre

The meaning of genre is a listbook just really explaining what the film/book is about whether it is mysterious romantic adventurous act for example if a film is funny then the genre is comedy if the film is scary then the genre would be horror.

This is just
telling us what
the meaning of
genre is.

Fantasy

Fantasy is my favourite here are a few films all of them have different setting most of all the characters are good most of all the films are like a magical theme.

What realistic fiction means

Realistic fiction means when it's a film or a program and it could be about animals or about hospital's or anything really and the story they talk about is real.

Beginning middle end

I am going to do lord of the rings for a beginning middle and end the beginning is when he is giving the ring the middle is adventure and the end is when it is all sorted and it's a very happy ending.

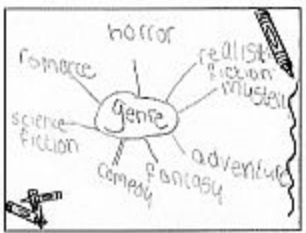

The meaning of genre

The meaning of genre is a film/book just really explaining what the film/book is about whether it is mysterious romantic adventurous ect for example is a film is funny then the genre is comedy if the film is scary then the genre would be horror.

and the story they tell
is real.

Genre

The meaning of genre is the meaning of a film/book just really explaining what the film/book is about whether it is mysterious, romantic, adventurous ect. For example if a film is funny then its genre is comedy if the film is scary then the genre would be horror. More examples below.

The genre of Shrek is comedy.

The Genre of snow white is fantasy.

The genre of

Frankenstein is horror.

The genre of Madagascar is adventure.

The genre of Flannan Isle is mystery.

The genre of Romeo and Juliet is romance.
