Curriculum Cymraeg    
 Communication    
 Mathematical skills    
 Problem-solving skills    
 Creative Skills    
 Personal & Social Education

Activity Name	Description	Curriculum links	Notes
<b>Creatures From the Deep</b>	Discover and compare the animals that live in ponds and streams. Identify them with keys, and investigate how they have adapted to their environment. Then discover how they are linked together in a food chain.		Half Day
<b>Earth Walk™</b>	Explore the rich surroundings of the centre and use your senses to build a relationship in feeling and understanding of the natural world. ™Earth Walk is a trademark of the Institute for Earth Education		Half day or evening
<b>Historical Hunt</b>	Test your orienteering skills and teamwork to navigate your way through the past and into the present. Learn about compasses and how they can help you to find your way.		Half Day
<b>Mammals and Minibeasts of the Wood</b>	Can you predict who is about while you are sleeping? Set the humane traps in the evening and uncover the secrets the following morning. Then investigate the mammals' food - the plants and minibeasts of the wood.		Evening & morning
<b>Puzzles and Problems</b>	Can your team solve the clues and challenges that will unlock the mighty and mystical Danywenallt treasure trove? An active, fun-filled problem-solving game to learn about the National Park.		Half day Good icebreaker
<b>Journey Sticks</b>	Let your imagination run wild as you decorate your stick re-telling a journey. Share your story then take your creation home as a reminder of your adventures.		Short half day or evening Quiet activity
<b>Survival Challenge</b>	How would you get help on a mountain, keep a casualty alive or make an emergency shelter? Find out all the answers and use your skills to build a bivouac to brave the Welsh weather!		Half Day or evening
<b>Tor y Foel Trek</b>	Trek through the forestry, over ancient tram roads and moorland as you ascend the steep slope of Tor-y-Foel. Enjoy breathtaking panoramic views of the National Park and learn about past and present land use.		Full day Good strong foot-wear essential
<b>Nature's night hikers</b>	Test your night vision, learn about bats and uncover the secrets of the night on this journey without streetlights.		Evening Not suitable from May to mid-September
<b>Early People</b>	An action packed day looking at early life in the Brecon Beacons. Hike to an Iron Age fort, enact a battle scene between the Romans and a Celt, experience daily life as Celts and finally enjoy a feast to celebrate the fruit of your labour!		Full Day
<b>Farm Visit</b>	Take this excellent opportunity to visit a working farm in the heart of the National Park. Meet the farmer, learn where our food comes from and how the farm is managed sustainably.		Half day

Build your program from the activities above or contact one of our education officers

### YHA Danywenallt National Park Study Centre

Located next to Talybont reservoir this converted Welsh farmhouse provides peaceful surroundings and direct access to the hills.
